COMMUNITY REDEVELOPMENT RIDER RIDER CR

AVAILABILITY

This rider is available in all areas served by Willmut Gas & Oil Company ("WGO" or "Company") to qualifying Customers who enter into a contract for natural gas service prior to January 1, 2013.

APPLICABILITY

This rider is applicable to natural gas service provided by Company under the General Service rate schedule and was authorized to become effective with all bills rendered on and after September 1, 2011. All other terms and conditions of the contract with Customer and Company's Service Rules and Regulations remain applicable.

INCENTIVE

Subject to Customer compliance with the terms and conditions set forth herein and the execution of a Contract, the Customer will be eligible to receive the incentive specified below:

- The incentive will equal seven percent (7%) of the Customer's charge for natural gas metered during the billing period. Any and all other service charges for the billing period will not be affected.

FILED

Customer Deposit: Customer has the option of paying deposit in equal payments over first two months of contract. Customer has the additional option of providing an Indemnity Bond in lieu of a deposit.

(This space for statement of availability, character of service, rate, minimum charge, terms of payment, special conditions, and minimum contract period pertinent to the application of this particular rate schedule.)

- Requirements, conditions and limitations.
 1. New General Service account in an existing building with natural gas heating and/or water heating that has been unoccupied or dormant for the previous six (6) months;
 2. New load on the Company's system;
 3. Service to commence prior to January 1, 2013;
 4. Applicable only to a single metered service location under General Service Rate.

TERM

Service under this Rate Rider expires after one year from initial date of service.

GENERAL

This Rate Rider is not available to a new Customer that results from a change in ownership of an existing establishment or the relocation of an existing establishment. Service under this Rate Rider is subject to rules and regulations approved by the Mississippi Public Service Commission. During the term of the CR the incentive is waived and will not apply in any month in which the Customer is charged a Minimum bill under the applicable rate.
